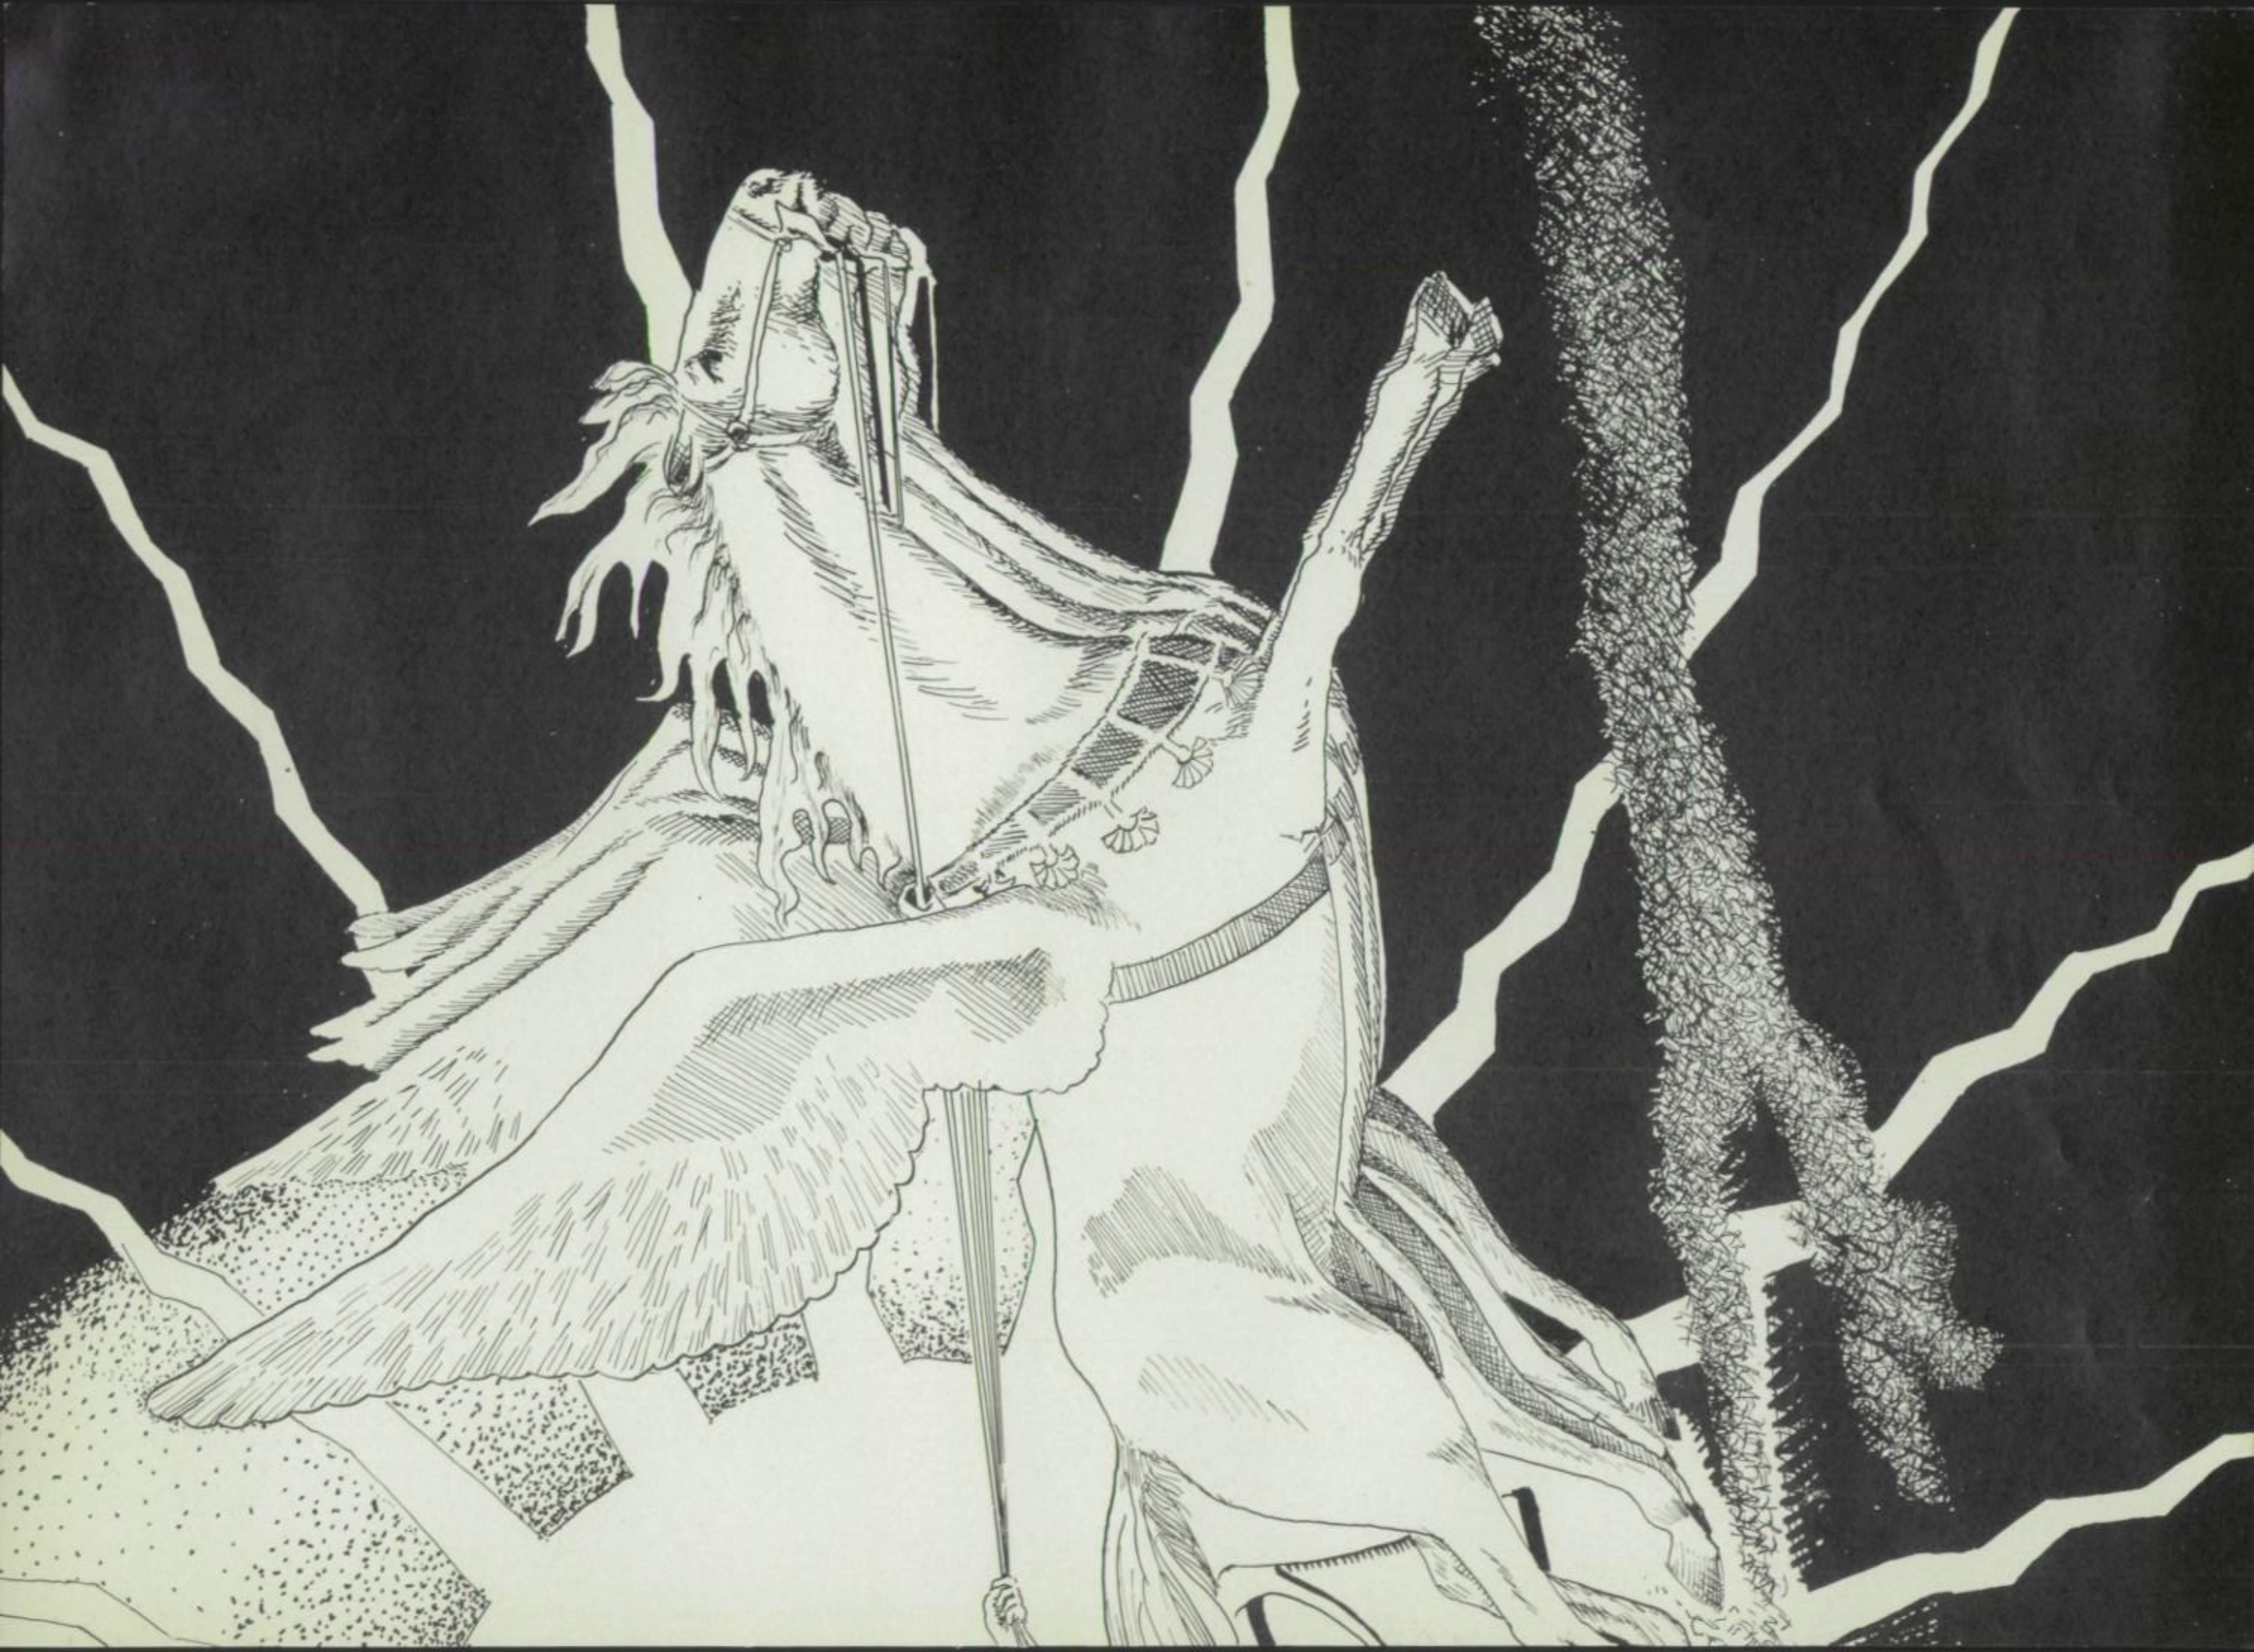
# HELIOS ANNUAL

# Introduction

- Helios is the Greek Sun God.

- Through studies, activities, and sports, this annual is attempting to show the phases which altogether make it that essential part of our lives.

- As the sun is the center of the universe, so, also, is our school the center of our lives.



# Dedication

- For her never failing interest in Central students
- For her attempt to have us do our "level best"
- For her aim in developing our minds to their fullest capacities
- For the help that she gives when it is most needed
- For her faithfulness to all school productions
- For her inexhaustible enthusiasm
- For her devotion to science
- We dedicate this 1956 Helios Annual to Miss Wilamena Schnooberger

"What we are is God's gift to us;

what we become is our gift to God."

"DREAMS"

We came like small sheep that had gone astray
Lost, forsaken, and lonely, hoping to find our way;
Our futures looked grim;
Our pathways were many;
We soon were to learn life held interests aplenty.

As we grew, our futures brightened; life's lesson began.
The parties, the dances, springtime and its trances —
Yes, we learned to dream, and we learned life's value.
We learned what existed beyond the stars in the sky;
We learned the rules of life for us to abide by.

Then came the time that we all waited for,
The time to perform, to see our duty done.
Through all of our heartaches, through the tides of time;
Who helped us, who guided, who soothed all of our fears;
Our parents, our teachers, and friends through the years.

What can we leave you, our school beloved?
What can we leave to those who come after us?
What can we leave to those who had faith in our dreams?
Whatever it is it's beyond price by far;
It's something that just living can't mar.

We now leave the past, and our future's in sight;
Yet if you'll study the sky through the quickening night;
You'll find that precious gift that we found is so right:
We give to thee, our faculty and students beloved,
The way to the stars, to a future so bright:

We give you our dreams
To be dreamed every night.

Words — Mara Jirgensons

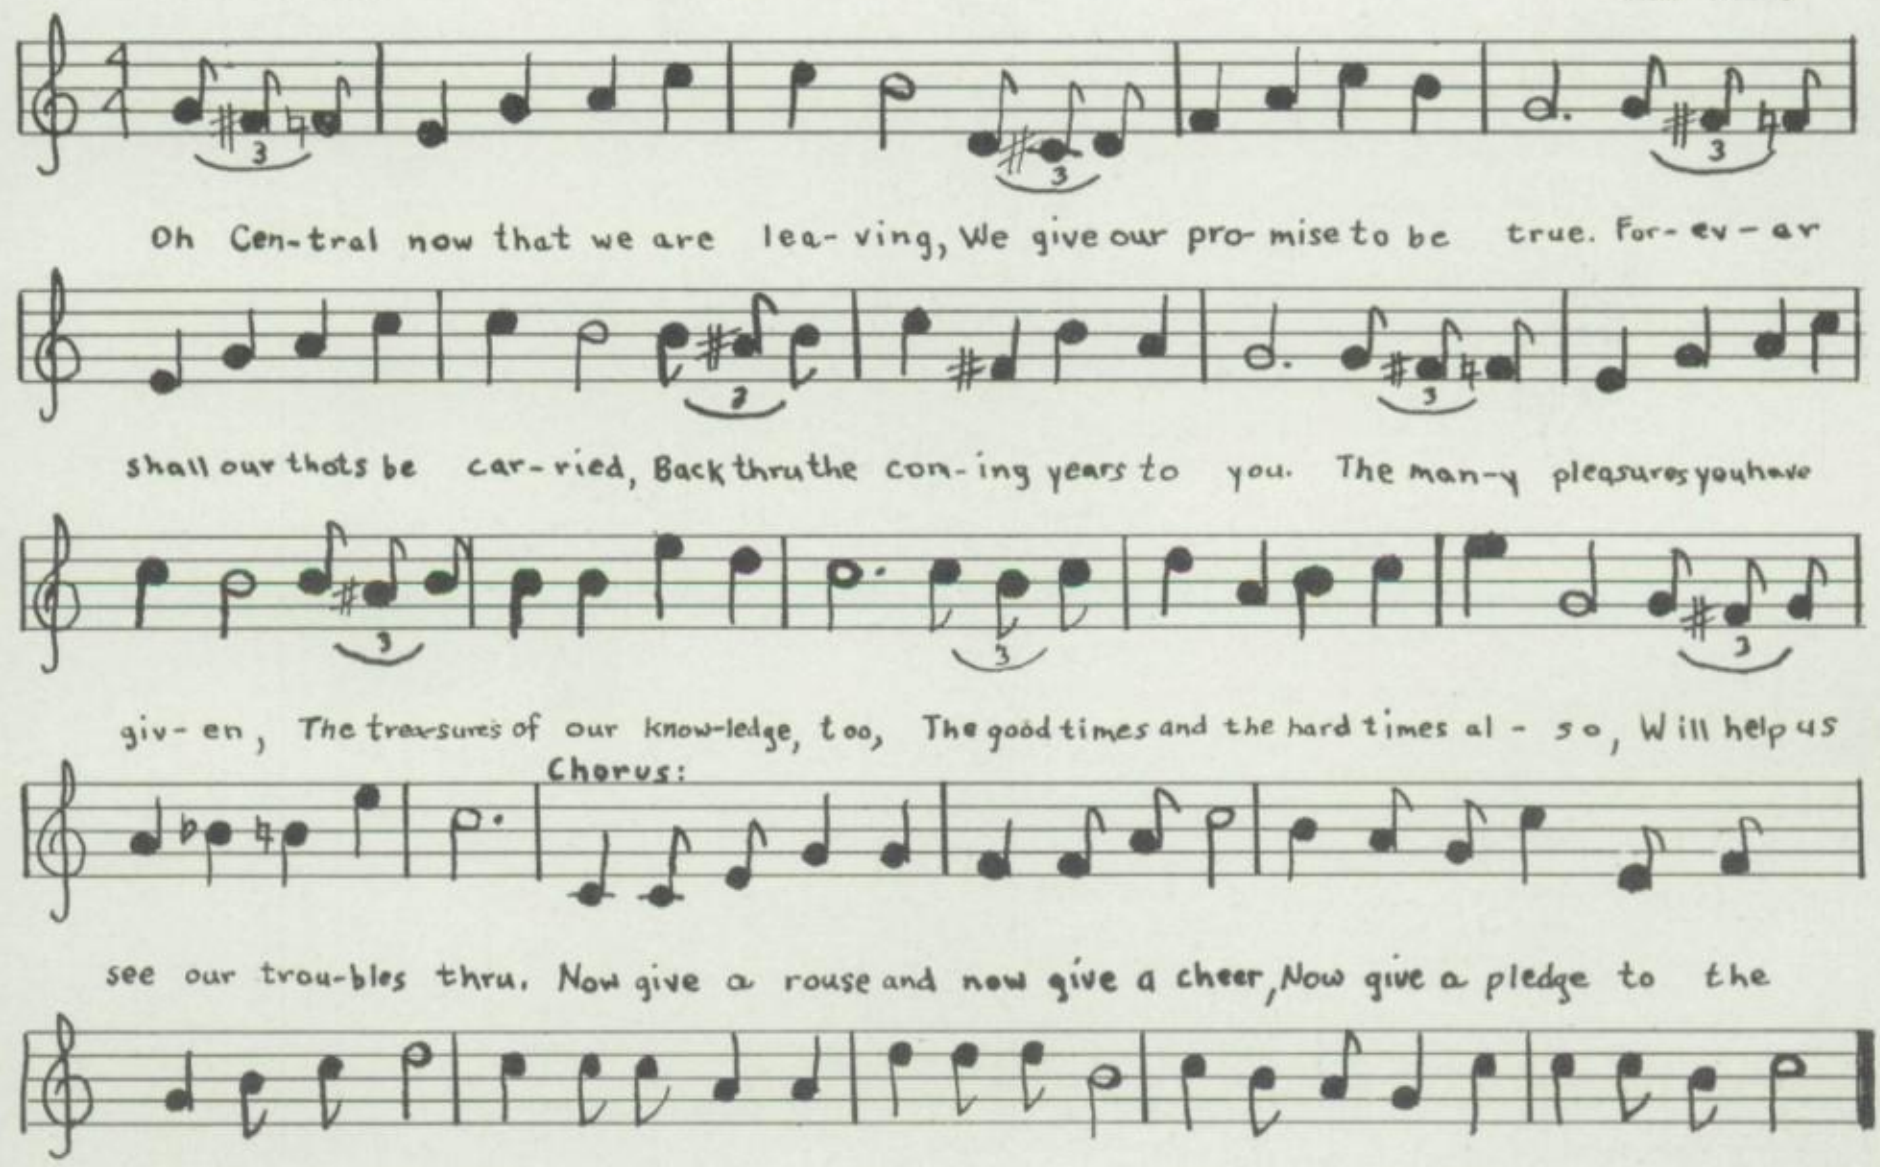
Music — Marilyn McDonald



Oh Cen-tral now that we are lea-ving, We give our pro-mise to be true. For-ev-er
shall our thots be car-ried, Back thru the con-ing years to you. The man-y pleasures you have
giv-en, The treasures of our know-ledge, too, The good times and the hard times al-so, Will help us
Chorus:
see our trou-bles thru. Now give a rouse and now give a cheer, Now give a pledge to the
school we hold dear. Where e'er we may go, where e'er we stray, We'll al-ways think of you on the way!

## CATHOLIC

With the strong running and passing of Ernie Brazil and Gordon Van Putten, the Hilltoppers held back a powerful Catholic team for the first half of the game. Brazil scored the first Central touchdown during the first quarter on a 70-yard run. Fighting back in the closing minutes of the game, Central scored another touchdown on a 40-yard pass play from Brazil to Van Putten. After a 14-6 half time score, Catholic went on to defeat the Rams 36-12.

# UNION

A thrill packed contest between evenly matched Union and Central saw the Hilltoppers triumph in the closing minutes of the game with a score of 13-12 over Union. Dave Franks, becoming for the first time this season an offensive threat, continued to rip out short gains through the Union lines. This, combined with his defense ability, made him one of the strongest players against the Union Red Hawks. Franks scored earlier in the first period with Gordon Van Putten going over for the extra point. Van Putten again smashed the middle of the Union line for the last touchdown but was unable to make the extra point.

## SOUTH

South defeated Central by a score of 7-0 in an exciting game. Late in the fourth quarter, Ernie Brazil began throwing desperation passes and moved the ball to South's 27 yard line on a pass to Ross Zeerip. There were three seconds remaining to play. Time ran out on the Rams before they could get the next play started. The South Trojans scored their only touchdown late in the second quarter when they intercepted a pass on Central's 25 yard line.

## CRESTON

Playing before a Homecoming crowd, the Central High Rams defeated a fired up Creston High team 27-0. Many times Creston pushed deep into Central territory only to lose the ball in pass interceptions or fumbles. Ernie Brazil recorded the longest run of the season, 97 yards, on a pass interception. The heartbreak of the night was Roger Rathburn's run back of a pass interception. Rathburn intercepted on Central's 48 yard line and ran it back to the Creston 1 yard line only to be brought down. Gordon Van Putten scored on the next play. Other touchdowns were scored by Ernie Brazil on a six yard run and by Wilburn Wilson who finished the scoring for the night with a touchdown and two extra points.

We love the halls of Central that surround us here today,
And we will ne'er forget though we be miles away.

Another group will take our place;
Each year it follows so.
But of this class I'll prophesy,
As from our school we go.

While leaning o'er my desk one day,
And writing a long theme,
My boredom overcame me,
And I slid into a dream.

My classmates passed before me,
A varied procession were they;
I saw them in future professions,
My dream I'll now portray.

I see lawyers, doctors, mechanics,
Musicians, bankers, and teachers.
Some girls with great big families,
And possibly one or two preachers.

The changes were amazing!
"Class Clowns" we had galore,
But now with serious behavior
"Cut-up" they are no more.

Sue Steele and her voice have traveled far,
In fact, she's now an opera star.

Brereton Bissell in Congress is seen.
Now he airs the reforms that are in his "bean".

Who might this deep sea diver be?
Why it's Roger Wilkinson like a fish in the sea.

And who is this football hero renown?
It's Gordon VanPutten, the man about town.

As Rog Bomgaars showed us on dress-up day,
As a scooter manufacturer he's well on the way.

And Sheila Tuller on her merry path
Still has her gay and infectious laugh.

Dave Lee is at an organ grand,
And chords peal out from his talented hand.

Georgia VandenBerge an Ace with her fiddle.
Her accomplishment has zoomed way above middle.

Lester and Norman still grabbing those A's.
In college they're surely worthy of praise.

Gail Latta a prominent leader still
Promotes many projects with a conquering will.

Tom Noffsinger with his scholarship won,
His industrial arts career has begun.

A practical nurse is Colleen Barr.
And in this work she has gone far.

Irene Semerly has a lot to say
As first woman president of the U. S. A.

That model with the walk so cute
Is Natalie Oversmith in a stunning suit.

Ross Zeerip, a restaurant owner these days,
Is directing girls carrying trays.

An English teacher is Dorene.
Teaching Hamlet and many a Shakespearean scene.

Speedy Braisted comes poking along
With his guitar and hillbilly song.

A girl mechanic fixing her car
Is Connie Campbell right up to par.

Marcia "Such", a pharmacist yet,
Is concocting messes for people to get.

Last but not least is our class advisor.
To '56 there was no one wiser.
Miss Meyering still suffering deserves a crown.
"Know-it-all" Seniors don't get her down.

Some are parents while young,
Some in the service are now,
Some are city slickers,
While others follow the plow.

The rest of this group are in many places.
From reflections of school life there are many traces.
Some take life with a smile and a grin,
While others feel they can never win.

And now as I wake from this fantasy dream,
I wonder how much of it may come true,
We hope for the best for each one here
As we start our life from '56 anew.

May we take our tasks with vigor and zest.
With confidence stride and never plod.
What we are is God's gift to us —
What we become is our gift to God.
